COMMUNICATIONS: None.

REPORTS:

- 1) COUNTY ENGINEER: Dale Foster had no report.
- 2) COUNTY COUNSEL: Jim Arsenault had no report.
- 3) COUNTY TREASURER: Francine Springer had no report.

FREEHOLDER REPORTS:

- 1) FREEHOLDER MOREY: Freeholders Hayes, Thornton, Gabor and Morey attended a General Advisory Council Breakfast Meeting at the Cape May County Technical School on Friday he reported. The students did a great job and it was good opportunity to get throughout the school and really experience the pride and enthusiasm behind the programs there.

The freeholder recently wrote Lieutenant Governor Guadagno of current challenges faced by the Aquaculture Community and she was going to try to assist in the resolution of these he stated. It’s a very complex situation with a lot of agencies and federal regulations involved he added.

- 2) FREEHOLDER GABOR: She updated that Pat Devaney and herself were in the process of coming up with available date(s) to have a follow up “stakeholder” meeting with respect to addiction awareness. It is planned that the county, law enforcement and non-profits will come together to discuss past, present and future of the campaign. After the meeting the freeholder will bring a report back to the board on the outcome she stated.

- 3) FREEHOLDER HAYES: She announced the Cape May County Women's Commission would be hosting a breakfast with the Lt. Governor Guadagno speaking as part of Women's History Month on March 12, 2016 at 10:00 a.m. at the Greate Bay Country Club. Proceeds to go for scholarships for young women to attend a camp to learn about STEM (Science, Technology, Engineering and Math) careers.

She attended a crossover ceremony of a Cub to Boy Scout in Middle Township last night.

The freeholder relayed a story crediting "Meals on Wheels" driver, Mike, who went above and beyond to deliver a meal during the recent storm, soliciting the help of the Ocean City Fire Department and one of their very large trucks to get through the flood water to drop off the much needed food to the client.

- 4) FREEHOLDER DESIDERIO: Director Thornton and he attended the Cape May County Police Chiefs Association Reorganization Dinner in Stone Harbor on January 29, 2016 along with many other law enforcement officials from throughout the State of New Jersey. Middle Township Chief Chris Leusner was sworn in as president.
- 5) FREEHOLDER THORNTON: He attended with Freeholder Hayes the New Jersey Association of Counties (NJAC) Reorganization, swearing in of officers for 2016 in Trenton. The Lieutenant Governor was in attendance as well at a very nice ceremony he reported.

Freeholder Gabor and Director Thornton had the Social Services Advisory Board Meeting. Social Services recently transitioned from being a separate entity to becoming a department of the County of Cape May he explained. We're seeing cross efficiencies with county departments providing support to them which is a significant change and working out very well.

He was interviewed with the radio show The Coast; spoke for over an hour regarding the budget and the recent storm.

Freeholders Morey and Hayes, Director Thornton and Lt. Governor Guadagno toured Wildwood with the state recovery group speaking to business owners regarding help they may need due to storm damage.

He reported the loss from storm Jonas totaled to date before seasonal property owners report damage, \$72,285,000. The hardest hit areas were North Wildwood with over \$13,000,000., Stone Harbor had \$12,600,000, West Wildwood had \$5,500,000. and Sea Isle City with \$24,625,000. If FEMA determines we met the threshold in New Jersey, they will declare a state of emergency and we will be able to be reimbursed for most of that he stated.
